EDUCATION

2013 - 2018

SILESIA UNIVERSITY OF TECHNOLOGY

- Bachelor of informatics

SKILLS

- .NET
- C#
- PostgreSQL
- Git

LANGUAGES

- Polish (Fluent)
- English (Intermediate)

HOBBY

- Jogging
- Hiking
- Computer games
- Programing games

PROFILE

I am a graduate of the Silesian University of Technology, where I completed my studies in computer science. I currently work as a programmer, using Microsoft solutions and PostgreSQL technology for databases. In my free time, I create simple mobile games. Besides that, I run long distances as an amateur, hike in the mountains (I have almost completed the "Crown of Polish Mountains"), and take an interest in the stock market.
